F047708

Greg Opinski Construction, Inc., et al. v. All West Construction

We hold the trial court should not have granted summary judgment against both appellants because All West failed to meet its burden of showing entitlement to judgment as a matter of law. At the same time, we conclude the trial court did not abuse its discretion in imposing terminating sanctions against Opinski. Accordingly, the judgment entered in favor of All West against Opinski is affirmed, but is reversed as to Penn. General. Penn. General is entitled to its costs against All West. Opinski and All West are to bear their own costs. Kane, J.

We concur: Levy, Acting P.J.; Hill, J.
